

**Subject :**

In the matter of determining “Manager” in practice pursuant to Paragraph 4 in Article 3 of the Act on Recusal of Public Servants Due to Conflicts of Interest as inscribed in the inquiry of your office.

**Description :**

Manager as referred to in the aforementioned paragraph shall be the person authorized by a business entity to administer the operation and affix signature. The authorization of the manager should be confined as a part of administrative affairs. The authority of the manager to affix signature for approval of the administrative affairs of the company within the scope of the Articles of Incorporation or contractual requirements whereby registration is not a necessary condition for the validation of authorization. Likewise, the authority of the manager is also unrelated to the content of the actual operation or the handling of procurement.
