

**Subject :**

In the matter of the query of violation of the Act on Recusal of Public Servants Due to Conflicts of Interest in cases where elected representatives request for subsidy of insurance premiums from the institutions they serve.

**Description :**

Under law, elected representatives at the local level may claim for disbursement from the institutions they serve with the presentation of legitimate source documents, thereby it falls beyond the scope inscribed in Article 9 of the Act of Recusals of Public Servants Due to the Conflicts of Interest.
