

Subject :

The query of review and inspection of materials of property-declaration made upon inauguration and regular property declarations by declared public servants in the same year.

Description :

If the declarant is required to declare at the time of assuming of (reporting for) duties, it shall fall into the category of declaration at the time of assuming of (reporting for) duties, not the category of declaration at regular intervals. The declarant may not choose one of the two modes of declaration.

The proportionate inspection on the property declarations is based on the total number of property declaration forms submitted on the most recent date of random drawing of the category of declaration. The property declared by the declarant shall be based on the status of property as of the “declaration date”.
