

**Subject :**

The query of the determination by the authority for the inspection of property if related civil servants have a change to property declaration agencies due to changes in the grades and rotation of duties.

**Description :**

In the case a specific property declaration has a change in the grade and rotation of duties, to the extent that the declaration of property shall be submitted to another property declaration agency, the agency (institution) previously processing the declaration shall still have authority over the inspection of the specific property declaration.
