

Subject :

The query of the effect of Article 16 of the Act on Property-Declaration by Public Servants.

Description :

That the agency processing the declaration does not destroy the materials on property declaration beyond the retention period appears to be congruent with the purpose of legislation. If the conditions of the exclusions exhibited in Article 16 of the Act on Property-Declaration by Public Servants are satisfied, such materials of property declaration “should” be kept at once and thereby cannot be directly destroyed beyond the expiration of the retention period. The procedure for the destruction of the materials shall be governed by the Archives Act.
