

**Subject :**

The recommendation of the Control Yuan to the Ministry for listing of the exclusion of compulsory entrustment of odd lot shares by Civil servants through administrative interpretation.

**Description :**

The total shareholding by a Civil servant, their spouse and children who are minors exceeding NT\$1 million are required to be declared. The total value of odd lot shares and shares other than odd lots or other securities managed under fiduciary duty or the total of each count of odd lot shares that falls below NT\$1 million is not required for property declaration. Accordingly, these odd lot shares are not required for fiduciary control.
