

**Subject :**

About whether or not the declarant may be exempted from the property declaration for discharge from the former position other than the inauguration (report-for-duty) property declaration by nature of agent for the new position, if the declarant takes another position by nature of agent requiring a property declaration in the process of property declaration for discharge from the former position

**Description :**

While the declarant takes the position B obliged for property declarations by nature of agent as of July 1 in the process of property declaration for discharge from the position A, as provided in Paragraph 2, Article 2 of the Act, the declarant shall not be obliged to declare property until after three months he takes the position B by nature of agent(October 1). Since the declarant failed to satisfy the requirements about the inauguration (report-for-duty) property declaration by nature of agent for the position B prior to expiration of the property declaration for discharge from the position A (August 16), he is not qualified for the inauguration (report-for-duty) property declaration for position B by nature of agent. Given this, he still should complete the property declaration for discharge from the position A, and the inauguration (report-for-duty) property declaration for the position B only after he takes the position B by nature of agent up to three months, in accordance with Paragraph 2, Article 2 of the Act.
