

Subject :

About the dispute over transfer and destruction of the property declaration information submitted by any senior judges and prosecutors initially at the 12th rank and above to the Control Yuan, if they resign or are deceased and thereby become disqualified for the declaration, considering that upon enforcement of the Judges' Act the authority in charge of the property declaration was changed into the civil service ethics office of the relevant authority

Description :

If the declarant is deceased, the property declaration information he/she has submitted by him/her shall be made public and kept for five years, and then is destroyed upon expiration of the five years, in accordance with the laws.
