## **2019 Training Course on Ethics Campus Propaganda Series in Kaohsiung**

### **YA LJB Invites All People to “Follow Ethics”**

In a fairy tale, a piper helped villagers get rid of rodents. However, the villagers failed to keep their words and the piper took their children away and disappeared. Only “ethics” could help them bring their missing children back. When the ethical elements in a fairy tale are integrated into escape games, the children participating in the games would learn about the concept about ethics and the importance of integrity in the process of solving the riddles spontaneously.

To respond to and practice the anti-corruption education initiative advocated by the preventive measures under the “United Nations Convention against Corruption” and to enable outsiders to have the picture of the hardworking and determination of Agency Against Corruption, Ministry of Justice in continuous furtherance of the training course on ethics, the Agency planned the “Training Course on Ethics Campus Propaganda Series” in 2019, and chose to stop at 8 major locations throughout Taiwan. The series of event

now coming to an end, was organized in Sihwei Administration Center of Kaohsiung City Hall on the 17<sup>th</sup> day. Working with the presentation of the events, “Integrity Piper Follow Ethics” was boosted by Kaohsiung City Government. In the meantime, Kaohsiung City Deputy Mayor, Mr. Lee, Shu-chuan, and Director-General Cheng of the Agency kicked off the event jointly.

In addition to the escape games available on the site, multiple challenges painstakingly designed by the ethics offices of the 12 government entities including the Ministry of Economic Affairs, Ministry of Finance, Ministry of Transportation and Communications, Council of Agriculture (Executive Yuan), Ocean Conservation Administration (Ocean Affairs Council), Taipei City Government, New Taipei City Government, Taichung City Government, Chiayi City Government, Pingtung County Government, Taitung County Government and Penghu County Government were made available to communicate the training course on ethics. YA LJB also interacted with the children on the site to help them learn.

The last round of the “Training Course on Ethics Campus Propaganda Series” will be organized in the holiday plaza of the Tainan Municipal Cultural Center on October 5 this year. Combining the design and creation of integrity and ethics brochure and story-telling about integrity in English, we will organize the event “Tainan Integrity Painting and Training Course on Ethics” to teach the young students in Tainan to draw the image of integrity in their mind. We sincerely invite you to join us to work on the training course on ethics for our next generation.
